4discussion has state of the art specialist viewing facilities in South Manchester offering extremely pleasant purpose built studios for qualitative market research. Our viewing facility is based in the North West within an extensive demographic catchment area including the UK's second largest city, Manchester as well as rural Cheshire. 4discussion viewing facilities offer FocusVision with videostreaming and video conferencing capabilities, as well as web usability testing equipment and programmes. The main studio is equipped with a Nintendo Wii with the latest games for you (and your clients) to enjoy.

Other Facilities: +44 (0) 1625 521432
