Focus Suites are a wholly independent facility which offers specialised state-of-the art focus group and market research viewing facilities, centrally located in Dublin's City Centre. Due to the success of our Dublin facility we opened another very popular venue in Northern Ireland just behind City Hall in Belfast City Centre. Because we designed from scratch, and took advice from the Marketing Profession, our Focus Suites and Viewing Rooms are amongst the most sophisticated and up to date facilities available in Europe. All suites are wireless, airconditioned with TV/DVD, up to the minute IT, projectors, screens, laptop hire, flipcharts, DVD & Audio recording, hostessing & catering. We also have non viewed rooms for indepth interviews and hall testing or these can be used as meeting rooms. Basement parking can be arranged for clients and moderators.
